B. Production: DIA and CIA will participate in the production of an interagency memorandum under the aegis of the NIO on the subject KIQ.

III. COMMENTS OF THE NIO

The analytical and collection effort in respect to this KIQ are generally developing at a satisfactory rate. Some additional effort in the exploitation of defector, emigre and refugee sources with respect to mobilization and reserve training would probably yield worthwhile information.

I recommend that efforts be made to increase the flow of information from emigre, refugee and defector sources.
